PICTURES & IN-STUDIO DRESS REHEARSAL

Pictures and In-Studio Dress Rehearsal will take place the week of June 6-12 at Centreville Dance . The picture/rehearsal schedule will replace your regular class time for this week. We have staggered the arrival times of our dancers during this week, so please pay close attention to the schedule!

Your dancer should arrive dressed in costume and ready for their pictures 10 minutes prior to their assigned time. We will not be able to wait for late or missing dancers. Dancers should have on the proper tights and shoes for each of their dances, as well as any accessories or hairpieces.

If you plan on purchasing recital portraits, you can do so on the day of your dancer's pictures, however, it is highly recommended you do so prior to their picture day.

HAIR & MAKE-UP

For all of our dancers, we recommend a little bit of eyeshadow, eyeliner, and mascara for their eyes and blush and lipstick in shades that are complementary to your dancer's skin tone for their cheeks and lips. Make-up is totally up to the parent's discretion, however, the stage lights tend to wash out our dancers faces, so a little bit of make-up helps us to see them better!

All dancers should have their hair pulled back neatly away from their face. Younger dancers can do a ponytail or braid or something similar that won't distract them. We recommend our ballet students and older dancers wear a low bun with a center part secured using hairpins and a hair net. If you are unsure about how to style your dancers hair, please ask your child's dance teacher.

SHOES & TIGHTS

Please refer to the CDA Dress Code for the appropriate style and color of shoes & tights for your dancer's class. All dancers need to have the correct color and style of dance shoes prior to dress rehearsal day.

RECITAL WEEKEND IS HERE!

If they have multiple dances in a show, they can drop their stuff in the Dressing Room before heading to the auditorium.
